Lincoln County

**Need to talk about
sexual health,
pregnancy, or
reproductive care?**

Find Free and Affordable Sexual Health Care

The Reproductive Health Equity Act (2017) ensures:

- **Private Insurance** covers preventive services with no cost to the patient.
- **Oregon Health Plan (OHP)** covers free preventive care and treatments, including condoms, genetic testing, abortion, and more.
- **No insurance?** The Oregon Reproductive Health Program offers free or affordable care in Lincoln County through an **RHCare Clinic**.
